EMPLOYER-ASSISTED HOUSING PROGRAM

The Program

The Employer Assisted Housing Program (EAHP) provides Government of the District of Columbia employees with an increased opportunity to become first-time homeowners in Washington, D.C. Through EAHP, the Department of Housing and Community Development (DHCD) provides eligible applicants with:

- matching down payment funds of up to \$1,500 (\$500 for each \$2,500 saved by an employee) and
- a deferred loan of up to \$10,000.

EAHP loans are awarded to a limited number of eligible applicants each year, depending on funds allocated in the department's budget. Local lenders will finance their mortgage loans under the more lenient Fannie Mae and Freddie Mac guidelines.

Are You Eligible for an EAHP Loan?

To be eligible for EAHP assistance, an applicant must:

1. Be a full-time Government of the District of Columbia employee in good standing for at least one year;
2. Be a first-time homebuyer in the District of Columbia;
3. Have an adequate income to afford a mortgage loan from a private lender; and
4. Possess a good credit rating.
